

## My impressions about the week with the Spanish students

I think it was a very interesting week. We had a lot of fun and visited a lot of different cities, like Berlin.

In the afternoon we all did some different things but it was also so much fun. I liked all the days of the week but the last day was very sad. When we drove to the airport all of the students were very sad and most of them cried, too. I hope to see them all very soon in March.
