

The week with the Spanish Students was very funny and exciting. Before it I had a lot of thoughts. I was very nervous, because I didn't know if we understand each other, if we have the same hobbies and how she will be. But at the airport, I was very happy to see my Spanish guest. She is very friendly. The week was very nice. Mareia is very funny. I taught her German and she taught me Spanish. The week was very stressful. In the morning we got up early and we went to bed late in the evening. We understood each other us very well. The exchange was very good. Now my patents and me eat a lot of Paella. It's very good. I am very happy about this. It was a good time. We made a lot of funny experiences. I am very happy that I can go to Barcelona. I will meet Mareia's parents there, too. My favourite day was Friday when we had the party. It was so funny and we were all together.
